Biography

Özge Balık has been working as a lecturer in the Elderly Care Program at Manisa Celal Bayar University Vocational School of Health Services since 2017. She holds a bachelor's degree in sports sciences and a master's degree in recreation.

Her areas of interest include recreation, physical activity, active ageing, and the social participation of disadvantaged groups. She teaches courses in recreation, physical education, Pilates, and sign language. Through her teaching and community engagement activities, she aims to develop students' awareness of volunteering, inclusion, and social responsibility, and to promote social awareness through sports and arts activities.
